

tell me more®

The more we know about you, the better care we can give you. Please read the questions in each of the 3 blocks and write or draw pictures to answer. Your family is welcome to help you! We will hang this by your bed so your entire healthcare team can get to know you more personally.

How would your friends describe you?

I am always
happy

What are your strengths?

Caring for my
friends and
family

What has been most meaningful to you?

my daughter's
college
graduation
